Directions for completing the Site Notice

1. The **location, townland(s) or postal address** to which the licence refers must be stated so as to identify the location of the site in question. Where the development extends to more than one townland, all townlands must be stated.
2. The licence number (on the top right hand corner of Page 1 of the licence must be provided).
3. A description of the **nature and extent of the tree felling** must be stated on the site notice. You must include the following in your development description –
 - (a) Harvest type: clearfell, thinning, wind blow, CCF, etc
 - (b) Extent of felling: number of trees to be felled or area (ha) of the felling site
4. The dates upon which the work will commence and end (approximate dates will suffice) must be provided.
5. If an agent was acting on the licensee's behalf details must be entered.
6. The date that the notice is **erected or fixed at the site** must be stated.

Directions for erecting the Site Notice

The Site Notice must be securely erected at the entrance from the public road to the land to which the licence relates or, where no entrance exists, at the point where it is proposed to create an entrance, so as to be **easily visible and legible by persons using the public road, and shall not be obscured or concealed at any time.**

The Site Notice must be clearly legible, affixed on rigid, durable material and secured against damage from bad weather and other causes.

The Site Notice must be maintained in position on the land concerned for so long as the felling of trees is carried out or timber extraction is ongoing. The notice must be renewed or replaced if it is removed or becomes defaced or illegible within that period.
